

Quick Reference Guide to INTA's Resources

As part of your INTA Membership benefits, you have access to all of the INTA Resources described here and more at no additional charge! All you need is your username and password. Don't remember your password? Contact Member Operations at MemberOperations@inta.org.

INTA Practice Guides

Save time and money with our extensive and much-used Practice Guides (including the popular ***Country Guides***), which provide essential jurisdiction-specific details about trademark protection, opposition, cancellation, enforcement, the Madrid System, GIs, collective marks, certification marks, and trade dress. Search each guide by jurisdiction or by topic. And look for our new Anticounterfeiting Guide in 2023!

The Trademark Reporter

The Trademark Reporter delivers engaging and comprehensive peer-reviewed scholarship and analysis on trademarks and complementary intellectual property from practitioners, academics, and judges worldwide.

Each year our *United States Annual Review* (our January–February issue) highlights trademark cases in the United States for the most recent year's Lanham Act administration, covering ex parte appeals, inter partes proceedings; and litigation in the federal courts and state courts of general jurisdiction. And each year our *Annual Review of European Trademark Law* (our March–April issue) highlights trademark cases in the European Union (at both the EU and national levels), the United Kingdom, and other European jurisdictions.

Practice Tools

Our Practice Tools can help you and your team efficiently manage specific tasks and myriad details so that you can thrive in your daily practice.

U.S. State Trademark and Unfair Competition Law

This singular, comprehensive resource offers facts and analysis on U.S. state trademark and unfair competition law in each of the 50 states and Puerto Rico. Find valuable information on registration statutes, dilution, unfair business practices, deceptive trade practices, trademark counterfeiting, false advertising, corporate name reservation prior to incorporation, trade name registration, fictitious name statutes, unfair competition or passing off, personal name statutes, right of publicity, trade disparagement, and franchising or business opportunity statutes. We also provide you with a comprehensive bibliography and quick reference charts.

Trademark Administration

This classic training aid provides a thorough introduction to trademark practice and procedure—covering the role and function of trademarks, selection and clearance, registration, maintenance, business transactions, litigation, international practice, online issues, ethics, and other key topics. Whether you're an administrator or young practitioner or just want to brush up on one of the keys areas of practice, you will appreciate the step-by-step guidance through core chapters complemented by checklists, practice tips, and illustrations of documents and forms.

Practitioners' Checklists

Our checklists cover myriad aspects of brand protection and are valuable assets for brand legal professionals to help you efficiently identify and check off critical considerations and countless details.

Industry Impressions

These short resources (helpful to attorneys and corporate executives) cover trademark issues of special relevance to particular industries and provide you with background on legal concepts within a business context.

Fact Sheets

Get answers to fundamental questions about trademark and complementary rights to support your day-to-day practice.

Quick-Start Trademark Chart

Get instant answers to some of the most frequently asked trademark questions in a convenient chart format, covering 100+ jurisdictions around the globe. You can also generate mini-charts for a single question or jurisdiction—which can be downloaded or printed for easy reference when you need it. You can also click through the hyperlinks in the chart to access our Practice Guides, which provide more in-depth information.
